GOOD ROADS TRAIN

Due to Arrive Here To-Day From Cairo, Illinois, With Construction Outfit.

Work of Building Model Road Will Begin At Cox Mill Road Bridge To-Morrow.

CONVENTION TO BOOM THE MOVEMENT JULY 10 AND 11.

The Good Roads special train of 17 cars, under the operation of the National Good Roads Association, will arrive in Hopkinsville tonight, over the I. C. railroad, and the work of building the sample road will be begun to-morrow. The train consists of a complete equipment of modern road-building machinery, including the giant rock-crusher that will crush the stone to be used in metaling the road.

The workhouse force was used to open a quarry by the side of the road and a large quantity of stone has been taken out and piled where it can be used as wanted. The model road of a mile or more will be on the Church Hill road, beginning at the bridge one mile South of town.

The work of building the road is expected to occupy three or four days. The county has appropriated \$1,250, the city \$300 and the citizens have subscribed about \$750 to aid the work and this money is being used to provide stone, supply teams, laborers, etc. The best scientific methods will be demonstrated by a corps of experts in grading and finishing the road.

Next Wednesday the great Western Kentucky Good Roads convention will begin and last two days. Many speakers of prominence will be present and delegates from all Western counties are expected. The convention is going to be the greatest gathering of the kind ever held in the State.

The formal address of welcome will be delivered by the eloquent farmer-statesman and orator, Hon. Jas. A. McKenzie. Mr. McKenzie has not been heard in a public speech since his return from Peru in 1897 and much interest is felt in his forthcoming address.

Hon. B. M. Richardson, manager of the Good Roads train, arrived last night to prepare for the coming of his train to-night. He will find everything in good shape for the work.

Among the notables who will be here Wednesday are Senator Deboe and Congressman Wheeler, Gov. Beckham is expected and many distinguished men have been invited, including ex-Gov. Bradley, Judge Cantrell, ex-Gov. McCreary and all of the Western Kentucky Congressmen.

NEW WHEAT.

Farmers Busy Threshing and Some Crops Already Sold.

Wheat threshing is strictly in order and about one third of the grain is ready for the market. Some of the crop has been sold and delivered. The opening price in this city was 55c, but there has been a slight advance, 58c being the prevailing price for No. 2 wheat yesterday. The yield is reported satisfactory and the quality of the grain generally is good.

If good weather for threshing continues for a few more days the bulk of the crop will be ready for the market.

Many farmers will sell at once, while a few will hold anticipating a further advance.
